## COLUTTA PIGNOLO FRIULI COLLI ORIENTALI 2016

Deep color and nose that shows the rhubarb, rooty character that can be found in pignolos. Meanwhile, there is much more, too, with cigar, subtle musk, peppercorn and lots of black cherries and blackberries, too. Full-bodied and chewy on the palate with rustic tannins. Long, powerful and austere. A true pignolo that might need even more time. Drink in 2025.
